A digital download and photos of your child will be made available in January. The cost of this is included in the participation fee.

Personal photography and filming of the performance are strictly prohibited, not all of our participants have agreed to a photography disclosure. The safety of our students is paramount. I thank you for your co-operation.

Performance checklist

Please ensure that your child has the following:

- A plain white pair of pants to go underneath their costume (Suitable underwear).
- Correct ballet shoes.
- A brand new pair of ballet socks will be given to each student to ensure everyone looks the same on stage, this is included in your costume hire however you can keep these socks for future dancing.
- Bun pins and bun net (available from the dance school shop).
- Students are to come to the dress rehearsal and performances with the hair straight back off of the face in a ballet bun. (Video tutorial available on the dance school website)
- Jazz Shoes for our Modern students (available form the dance school shop).

Putting on a performance requires a lot of planning and support. We kindly ask that parents offer their assistance with their child's group backstage when they are not watching the performance. We would be extremely grateful of the extra help. I cannot stress enough how much we depend on your assistance backstage. **Our changing rooms are female only and no siblings are to be brought back stage.**

If you have any further questions please do not hesitate to contact me.

Many thanks,

Stephanie.
